EXPERIENCE

Teaching Assistant in React

Coding Ninjas

📅 11/2023 - Present

📍 Remote

- Addressed 1200+ student inquiries, showcasing strong analytical and interpersonal abilities.
- Debugged 2000+ issues, mentored 1200+ students, fostering learning.
- Guided students on projects, evaluated 100+, ensuring quality and standards.

Management Trainee

Emmvee Photovoltaic Power Pvt Ltd

📅 11/2022 - 11/2023

📍 Bengaluru, India

- Elevated from trainee to area leader, driving 40
- Optimized workflows, boosting output by 15%, and fostering team satisfaction through streamlined processes.

Leadership

Issue resolution

CERTIFICATES

- React JS
- Back End in Node.js
- Front End
- DSA in Java
- Operating Systems

SKILLS

Proficient in DSA

Languages

HTML, JavaScript, CSS

Java

Frameworks and Libraries

React, jQuery, Redux, Tailwind, SCSS, Bootstrap
Node.js, Express.js

Databases

MongoDB, Firebase

Version Control

GIT

Additional Skills

OOPS

DSA in Java

Soft Skills Effective Communication, Algorithmic thinking, Creativity, Rapid Learning

ACHIVEMENTS

</> Leetcode

Accomplished 230+ LeetCode coding problems, demonstrating strong algorithmic thinking and expertise.

TRAINING & COURSES

🎓 Career Camp Full Stack Web Developer track

Coding Ninjas

📅 11/2022 - 10/2023

Completed a rigorous 9-month full-stack training at Coding Ninjas with efficient time management and dedication. Demonstrated a hard-working attitude, mastering frontend and backend development. Achieved proficiency in various technologies, including React, Node.js, and database management systems through hands-on projects and practical experience.

EDUCATION

🎓 B.Tech in Electrical Engineering

Ideal Institute of Engineering

📅 06/2017 - 06/2021 📍 kalyani, India

DGPA: 8.14
